Christmas Concert

28 YEARS OF GREAT CHRISTMAS MUSIC

28 YEARS OF MUSIC WITH CHRISTMAS CHARM

Existing since **1993**, the Christmas Concert is a musical event recognized as a symbol of Christmas tradition, broadcasting the most famous holiday tunes on **Christmas Eve**. International stars sing sacred songs and carols, famous Christmas hits from their repertory and also "evergreen" melodies conveying the Christmas spirit in its "great beauty". Single artists perform various genres of music, from pop to rock, soul to jazz, gospel to opera. The musicians are accompanied live by a symphonic orchestra and choir, as well as by U.S. gospel and children's choirs.

The result is a mix of atmospheres and emotions which communicate a sense of celebration, also thanks to the impromptu duets of artists which have never before been recorded on any record or CD. These original duets are performed out of the pure pleasure of singing or playing together.

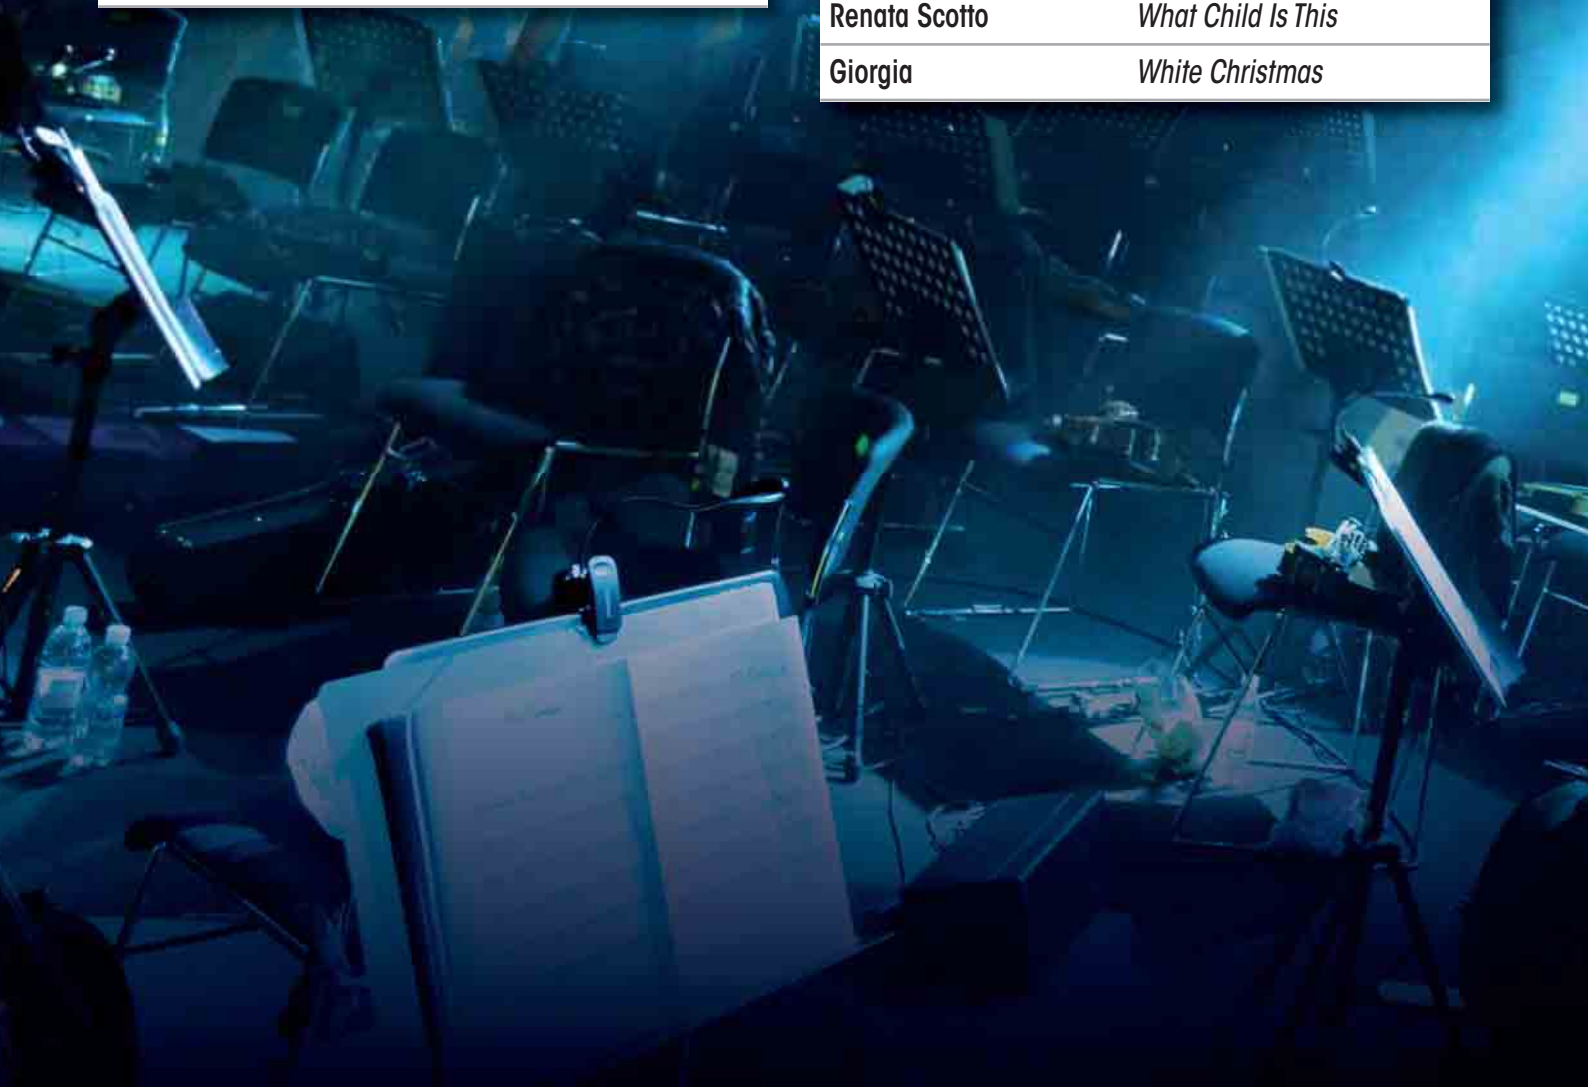

Prime Time Promotions, a Rome based agency, created and has been producing the event annually for twenty six years. The first edition took place in the **Paolo VI Hall in the Vatican** and then in other locations such as the Grimaldi Forum in Monte Carlo, the Mediterranean Conference Centre in Malta, the Verona Philharmonic Theatre, Massimo Bellini Theatre in Catania, and the Auditorium Conciliazione in Rome. Every concert is combined with fund raising for **charitable projects** proposed by the Don Bosco Foundation in the World.
